Payment Details

We are yet to determine the exact cost per person to participate in the AIEF Garma Group 2024, but we anticipate it to be between \$5,800 - \$6,800 including GST. This amount will include tickets to Garma, camping accommodation, transfers, meals, incidentals and other associated costs. As the airfare part of the costing is variable we will only be able to confirm the actual cost at the time of booking. Flights will be subject to the normal advertised cancellation policies of Qantas Airways.

AIEF will book Garma tickets for participants. We will confirm once tickets have been purchased and you will be invoiced for the full cost.
